

# PharmaCamp

11th-13th September 2024, Bern

## Registration EXTENDED!

### How does it work?

For **three days**, our hackathon offers ambitious participants the opportunity to:

- Attend **talks** from academic and **industry experts** and **network** with them afterwards!

- Showcase their talent in **problem-solving** and present their work to a panel of top pharmaceutical companies.

- Participate in career development **workshops**.

- **1st price is 2000 CHF!**  and also other prices!

*Join us to innovate, network, and elevate your career!*

### Who can apply?

**PhD** candidates and **postdocs**, recent graduates, **master's** students and last year **bachelor's** students in the fields of:

- Natural sciences

- Pharmaceutical sciences

- Engineering

- Business

**Apply here!**

<https://www.pharmacamp.ch>

Applications open until the 1st of August!

**18 OF AUGUST!**

We will select **25 high talented participants** based on their CVs and provide their **accomodation** in Bern.

*A big thank you to our sponsors that make this event possible!*
